## Welcome to City Lodge

Kia Ora and Welcome to City Lodge and the eleventh edition of the City Lodge Times.

At City Lodge our friendly reception staff live locally so we know all the best places to shop, eat, drink and have a good time no matter what your budget or how much time you have.

Check out the in room compendiums for information about services, restaurants, banks and tours available in Auckland. Come and talk to us at reception for many more options.

After you have finished reading, remember to recycle. If you would rather receive me by email, or have any feedback, tell us at info@citylodge.co.nz

## Welcome to Autumn

The first of March is officially the first day of Autumn (Fall) which will bring a welcome cooling to the air as we edge closer to winter. By now you will have felt that it is a little cooler and windier, especially at night. If you find that you are cold at night, there is a spare blanket in your rooms wardrobe. There are also heaters available from reception. The wall heaters have not been turned on yet but will do in the next few weeks.

Remember to always pack a jumper or warm top when you go out for the day as you never know when the weather will change. Even though it might look cloudy and miserable outside some days, sunscreen is still a must as harmful UV rays can burn you through these clouds.

Daylight savings ends on Sunday April 3<sup>rd</sup> when clocks go back an hour when 0300 becomes 0200. Keep this in mind if you have any flights or tours booked over this time.

### World Events

In the recent weeks there have been some terrible events around the world such as the Christchurch Earthquake, Hawaiian Volcano eruption and Japanese Earthquake. Due to all of these events there are travel disruptions and restrictions in place.

If you are travelling in the future to Japan, Hawaii or Christchurch it is best to get in contact with your airline, travel insurance provider, embassy or consulate to see if these disasters will affect your travel plans.

To get help finding the contact details for the organisation you need to contact, please ask Reception and we will be happy to help.

Up to date information about the disaster struck areas is available on the board in the Reception lobby.

### Worm Farms

Recent additions to the City Lodge family include 1000 worms in our new worm farms.

There are 2 worm farms in the back garden to help dispose of food scraps from the kitchen which will reduce the amount we send to landfills. The waste from the worms will be used to fertilise the garden.

Green buckets are on the benches in the kitchen for the collection of these scraps.

The worms are picky eaters so please do not put any of the following in the buckets as they can make the worms sick.

- \* Fresh Fruit
- \* Fruit Peels
- \* Onions
- \* Meat of any kind
- \* Bones
- \* Egg Shells
