## Welcome to City Lodge

Kia Ora and Welcome to City Lodge and the thirteenth edition of the City Lodge Times.

At City Lodge our friendly reception staff live locally so we know all the best places to shop, eat, drink and have a good time no matter what your budget or how much time you have.

Check out the in room compendiums for information about services, restaurants, banks and tours available in Auckland. Come and talk to us at reception for many more options.

After you have finished reading, remember to recycle. If you would rather receive me by email, or have any feedback, tell us at info@citylodge.co.nz

## Wet Weather Activities

Just because the weather isn't perfect anymore doesn't mean that your time off needs to be dull and boring! There are plenty of things to do in Auckland that are dry, warm and fun.

Visit Auckland Museum and find out more about the Maori people and the history of Auckland and New Zealand. A koha (donation) is appreciated to visit.

Kelly Tarltons Underwater World is a short bus ride away and is home to penguins, sharks, sting rays and all kinds of weird and wonderful sea creatures. A free bus there runs from the sky tower every hour on the hour from 0900 – 1600 daily.

If these aren't of interest to you, come and see reception and we will help you find something you will enjoy at the right price.

## Guest Surveys

When you check out, you will receive an email containing a link to our guest survey. We send this to all guests that have left to find out what they thought of City Lodge.

The surveys that we receive back help us to make City Lodge better for everyone that stays and works here. We appreciate all feedback both positive and negative.

Just remember, if you don't tell us what you think of something how can we continue being great or improve on something we aren't so good at.

Please fill this survey out and make sure to press "OK" at the end so we get the results.

Thank you in advance for your response.

## Points to remember

Please keep the back kitchen door closed at all times. This is for your security and so the noise doesn't travel to the rooms above. If the kitchen needs some air, please ask reception and we can open the sliding doors.

New Zealand souvenirs are now available at reception. They are displayed in the cabinet at the front door. Please ask at reception for more information.

The heaters are now on the winter timer. They will turn on at 0500 and off at 1000, then on at 1700 and off at 2300. If your room is warm enough already, just turn the heater off at the wall. Please do not use the heaters to dry clothes as this is a fire hazard.
