## Winter Travels

Winter is a great time of year to head out and see the rest of beautiful New Zealand. There are many options whether you want to rent a car and do it yourself or join a tour group and not worry about anything.

Even though it is winter, it is warmer than average which gives us more time to get out and about without getting too cold. If your travel plans have been disrupted or you just want some excitement, why not head out of Auckland for a day or two and see something new.

Heading South, Rotorua and Taupo are a nice and easy yet beautiful and exciting 2 day round trip from Auckland. Heading North is the Bay of Islands, also a good 2 day round trip.

If these ideas sound good to you, some and see Reception and we can help you make bookings.

### Travel Disruptions

Travel is still disrupted because of the volcano in Chile and the earthquakes in Christchurch.

If you are booked to fly out of New Zealand within the next week, contact your airline to see if your flight is still going. If it is cancelled, don't worry, there's always a room waiting for you here at City Lodge. Come to Reception and we can work something out for you.

The recent earthquakes in Christchurch have caused more destruction. If your travel plans involved Christchurch, it might pay to call ahead and see if your accommodation is open or tour going ahead.

Please see Reception if you need any help
