Bay of Islands Trip Review

A few weeks ago Amol, one of our Night Auditors, went to the Bay of Islands for a weekend away. Here's what he thought of it.

My first ever overnight trip within New Zealand took me to the Bay of Islands. It was one of the best trips I have ever done. While there I watched dolphins swimming, stood at the very front of a racing speed among many other things.

That night I stayed at the Haruru Falls Resort, right next to the Haruru Falls. I then went kayaking on a beautiful, bright sunny day at the bottom of the waterfall. With the sun and water spray, it was a dream come true.

The area is a must see for everyone who loves beaches and the water. Even if your not a fan of water, I'm sure you'll fall in love with the place.
